PRELIMINARY AMENDMENT

Sir:

Preliminary to examination, please amend the above-identified application as follows:

IN THE CLAIMS

Please amend Claims 17-24 to read as follows (a version of those claims, marked to show the changes, is appended):

16. (Amended) An image forming apparatus capable of communicating with an information processing apparatus, comprising:

reception means for receiving process information from said information processing apparatus;

job generation means for generating a job based on the process information received by said reception means;
